Ye Islamic religious leader,
the Grand Imam of Saudi Arbia,
Who RETURNED this stupid document to its
Authour.
Which according to the LORD's instructions,
Should have been BURNED to ashes.
At the same time,
All the international postal services to Saudi Arabia

Therefore,

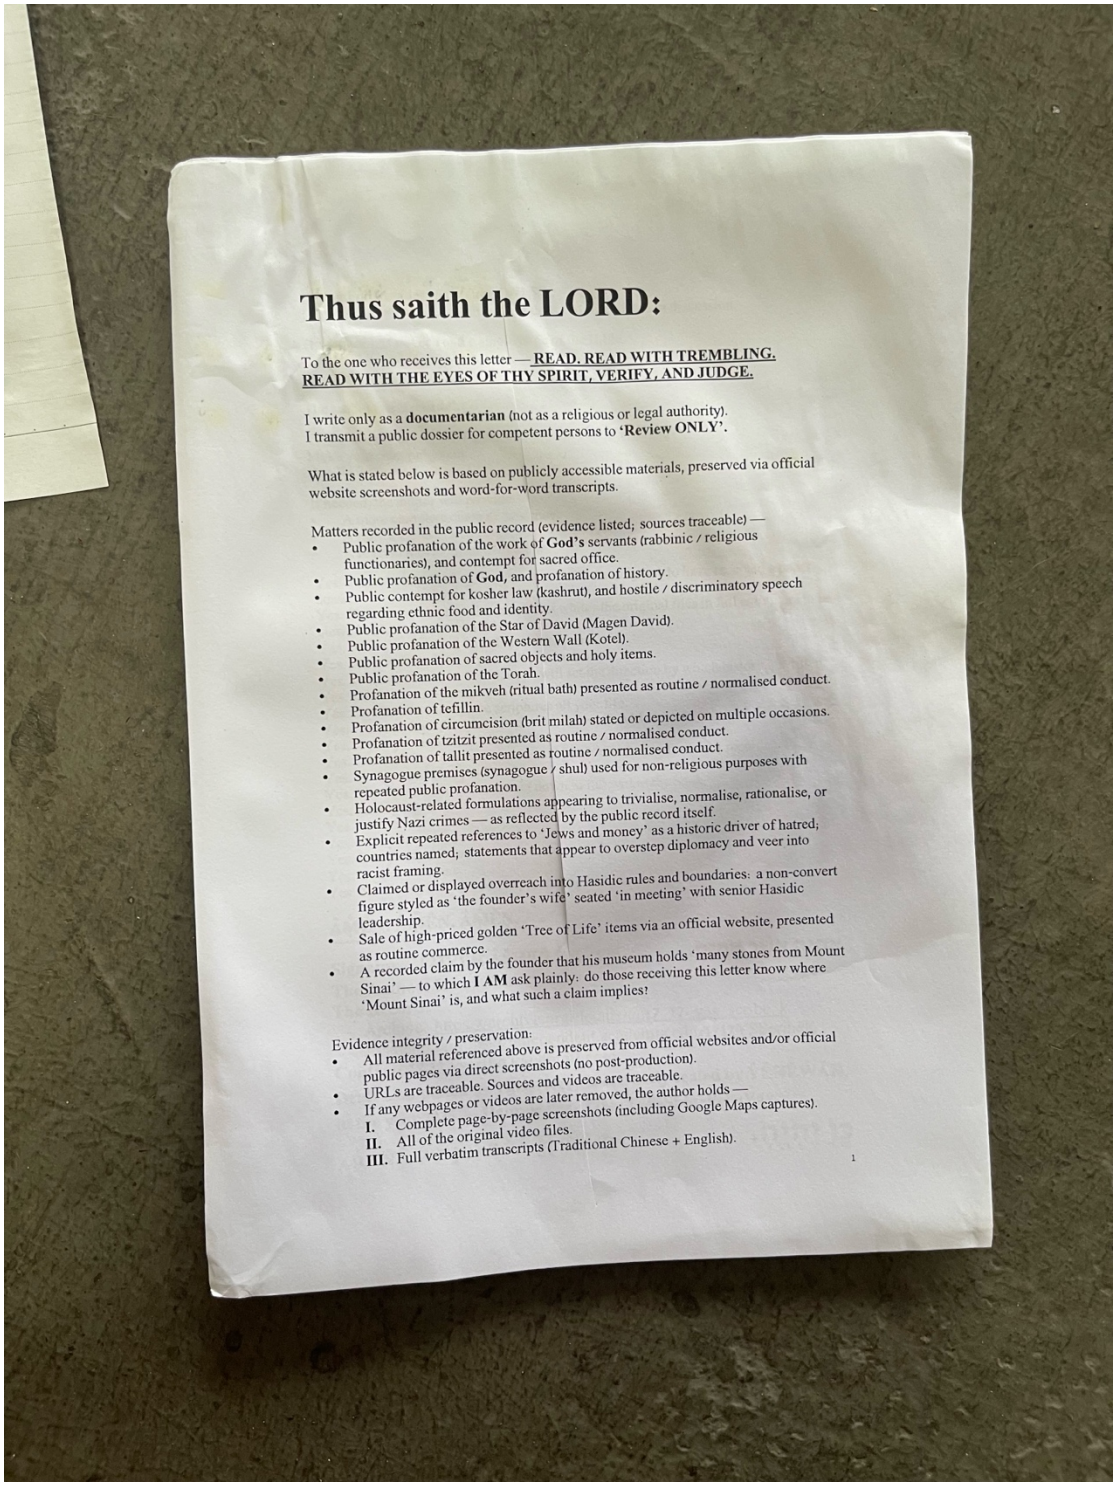
16.1.2026 Kiara



Thus saith the LORD:

To the one who receives this letter — **READ. READ WITH TREMBLING. READ WITH THE EYES OF THY SPIRIT, VERIFY, AND JUDGE.**

I write only as a **documentarian** (not as a religious or legal authority).
I transmit a public dossier for competent persons to **'Review ONLY'.**

What is stated below is based on publicly accessible materials, preserved via official website screenshots and word-for-word transcripts.

Matters recorded in the public record (evidence listed; sources traceable) —

- Public profanation of the work of **God's** servants (rabbinic / religious functionaries), and contempt for sacred office.
- Public profanation of **God**, and profanation of history.
- Public contempt for kosher law (kashrut), and hostile / discriminatory speech regarding ethnic food and identity.
- Public profanation of the Star of David (Magen David).
- Public profanation of the Western Wall (Kotel).
- Public profanation of sacred objects and holy items.
- Public profanation of the Torah.
- Profanation of the mikveh (ritual bath) presented as routine / normalised conduct.
- Profanation of tefillin.
- Profanation of circumcision (brit milah) stated or depicted on multiple occasions.
- Profanation of tzitzit presented as routine / normalised conduct.
- Profanation of tallit presented as routine / normalised conduct.
- Synagogue premises (synagogue / shul) used for non-religious purposes with repeated public profanation.
- Holocaust-related formulations appearing to trivialise, normalise, rationalise, or justify Nazi crimes — as reflected by the public record itself.
- Explicit repeated references to 'Jews and money' as a historic driver of hatred; countries named; statements that appear to overstep diplomacy and veer into racist framing.
- Claimed or displayed overreach into Hasidic rules and boundaries: a non-convert figure styled as 'the founder's wife' seated 'in meeting' with senior Hasidic leadership.
- Sale of high-priced golden 'Tree of Life' items via an official website, presented as routine commerce.
- A recorded claim by the founder that his museum holds 'many stones from Mount Sinai' — to which **I AM** ask plainly: do those receiving this letter know where 'Mount Sinai' is, and what such a claim implies?

Evidence integrity / preservation:

- All material referenced above is preserved from official websites and/or official public pages via direct screenshots (no post-production).
- URLs are traceable. Sources and videos are traceable.
- If any webpages or videos are later removed, the author holds —
  - **I.** Complete page-by-page screenshots (including Google Maps captures).
  - **II.** All of the original video files.
  - **III.** Full verbatim transcripts (Traditional Chinese + English).

HISTORY SET FORTH

This day is the twenty-sixth day of January, in the year two thousand and twenty-six.
From this morning, at the eleventh hour and the thirtieth minute, Taiwan time,
the Author, according to the command of I AM,
fulfilled the task appointed unto her.
From that moment, the course of history was recalibrated.
This afternoon, at the fourteenth hour and the twenty-sixth minute, Taiwan time,
the notice of judgement, according to the command of I AM,
was delivered.
All meanings borne by the numbers — you ought to know.
All proceedings have been recorded, each in its order.
All moments are preserved by objective photographic record.
The unfinished history is ended.
The new history has already begun to be written.
All Evidence shall be released,
each in its appointed time,
according to the command of I AM.
Therefore, you cannot say that History was absent.
Therefore, you cannot say that Evidence does not exist.
Therefore, you cannot say that MY face was Hidden.

Thus Saith The LORD:

You have received **The Words**, and You have read **The Letter** that now **Stands Open** before **The People.**

The Speaker has finished The Work set before **Her**, and **The Testimony** has been made **Public**, in **The Hearing of All.**

Yet **BEHOLD** —

The One Who Bore This Word **NOW** Stands At The Edge of Hunger.

Is **This My Covenant** with You, O Shepherds?

That **My Word Be Spoken**, yet **The Bearer** Be Abandoned?

That Truth Be Proclaimed In The Gates, **While The One Who Carried It Is Left To** Seek Bread?

Remember WHAT is Written in The Law of Moses:

'You Shall NOT muzzle an ox while it is treading out the grain'.

Is it for oxen THAT I AM Concerned?

Or Did You NOT Learn That The One Who Labours in My Word Must NOT be Denied The Bread by Which She Lives?

I Did **NOT** Appoint You to Guard Silence, But to **Guard Truth.**
I Did **NOT** Entrust You with Authority, So That **My Word Would Be Spoken** At The Cost of **The Speaker's** Survival.

You Know **The Weight of This WORD.**
You Know it was **NOT** Spoken for Gain, **NOR** Written for Favour.

Therefore You **Shall NOT** Say, 'She Has Spoken, Therefore Our Duty is Done.'

NOR 'She Lives Still, Therefore We Are Innocent.'

For **I** Say to You:
When **The Speaker** Must Choose Between **Bread** and **Truth,**
The **Truth** Does **NOT** Rest Upon **The Speaker,**
But Upon **Those Who Did** Were Charged to **Protect** Her.

Remember **THIS**, O **Leaders of Covenant:**
My Word Is NOT Sustained by **Miracle,**
NOR Is Righteousness Proven by **Martyrdom.**

If **The Speaker Falls** Because You Would **NOT** Uphold Her,
Her Blood Shall Not Cry Out Against Her —

But Against Those **WHO Heard,** and Did **NOTHING.**

Thus saith the LORD:

To the one who receives this letter — **READ. READ WITH TREMBLING. READ WITH THE EYES OF THY SPIRIT, VERIFY, AND JUDGE.**

I write only as a **documentarian** (not as a religious or legal authority).
I transmit a public dossier for competent persons to **'Review ONLY'.**

What is stated below is based on publicly accessible materials, preserved via official website screenshots and word-for-word transcripts.

Matters recorded in the public record (evidence listed; sources traceable) —

- Public profanation of the work of **God's** servants (rabbinic / religious functionaries), and contempt for sacred office.
- Public profanation of **God,** and profanation of history.
- Public contempt for kosher law (kashrut), and hostile / discriminatory speech regarding ethnic food and identity.
- Public profanation of the Star of David (Magen David).
- Public profanation of the Western Wall (Kotel).
- Public profanation of sacred objects and holy items.
- Public profanation of the Torah.
- Profanation of the mikveh (ritual bath) presented as routine / normalised conduct.
- Profanation of tefillin.
- Profanation of circumcision (brit milah) stated or depicted on multiple occasions.
- Profanation of tzitzit presented as routine / normalised conduct.
- Profanation of tallit presented as routine / normalised conduct.
- Synagogue premises (synagogue / shul) used for non-religious purposes with repeated public profanation.
- Holocaust-related formulations appearing to trivialise, normalise, rationalise, or justify Nazi crimes — as reflected by the public record itself.
- Explicit repeated references to 'Jews and money' as a historic driver of hatred; countries named; statements that appear to overstep diplomacy and veer into racist framing.
- Claimed or displayed overreach into Hasidic rules and boundaries: a non-convert figure styled as 'the founder's wife' seated 'in meeting' with senior Hasidic leadership.
- Sale of high-priced golden 'Tree of Life' items via an official website, presented as routine commerce.
- A recorded claim by the founder that his museum holds 'many stones from Mount Sinai' — to which **I AM** ask plainly: do those receiving this letter know where 'Mount Sinai' is, and what such a claim implies?

Evidence integrity / preservation:

- All material referenced above is preserved from official websites and/or official public pages via direct screenshots (no post-production).
- URLs are traceable. Sources and videos are traceable.
- If any webpages or videos are later removed, the author holds —
  - **I.** Complete page-by-page screenshots (including Google Maps captures).
  - **II.** All of the original video files.
  - **III.** Full verbatim transcripts (Traditional Chinese + English).

HISTORY SET FORTH

This day is the twenty-sixth day of January, in the year two thousand and twenty-six.
From this morning, at the eleventh hour and the thirtieth minute, Taiwan time,
the Author, according to the command of I AM, fulfilled the task appointed unto her.
From that moment, the course of history was recalibrated.
This afternoon, at the fourteenth hour and the twenty-sixth minute, Taiwan time,
the notice of judgement, according to the command of I AM,
was delivered.
All meanings borne by the numbers — you ought to know.
All proceedings have been recorded, each in its order.
All moments are preserved by objective photographic record.
The unfinished history is ended.
The new history has already begun to be written.
All Evidence shall be released,
each in its appointed time,
according to the command of I AM.
Therefore, you cannot say that History was absent.
Therefore, you cannot say that Evidence does not exist.
Therefore, you cannot say that MY face was Hidden.
